Senior Citizens Center Input Wanted

City of Florence officials have scheduled two community meetings for the purpose of gathering input from potential users of a proposed senior citizens center.

The meetings will be held on:

- **Friday, September 26**
- **Monday, September 29**

Both meetings begin at 9am and will be held in Community Rooms B & C of the Florence Government Center, 8100 Ewing Boulevard.

Plans are to locate a senior center at the former city building property off of U.S. 42 on Niblack Memorial Drive (between the Boone County Library and Florence Nursery).

The input gathered during the two community meetings will be used when considering the design of the facility as well as the amenities and programs to be offered.

The City, which plans to apply for funding through a community development block grant, is working with the Northern Kentucky Area Development District and Senior Services of Northern Kentucky.
